

THE TIGER 1967

THE TIGER

1967

An annual is a record of a school year's activities. With a new school year comes a new annual staff with new ideas. We feel that the new arrangement of classes and activities more clearly reflects our journey through school.

THE ANNUAL STAFF

ELIDA HIGH SCHOOL, ELIDA, NEW MEXICO

Dedication

The 1967 Tiger is dedicated to Mr. Delano Arnold, whose unusual sense of humor and patience have been invaluable to the students during the years he has served as teacher and principal.

Superintendent's Message

In traveling about both within and without our school area, I am constantly reminded by favorable comments from businessmen, game officials and other school people of the good sportsmanship and attitude of our athletic teams, cheerleaders and fans. I am also reminded of the neatness of our students' appearance.

All of the above mentioned characteristics, along with a good academic program, are all valuable assets that have in the past and will continue to carry many of our graduates into the field of success.

The beautiful '67 "Tiger" is factual evidence of the efforts of parents, teachers and students in the preceding accomplishments.

ALBERT E. CHANDLER

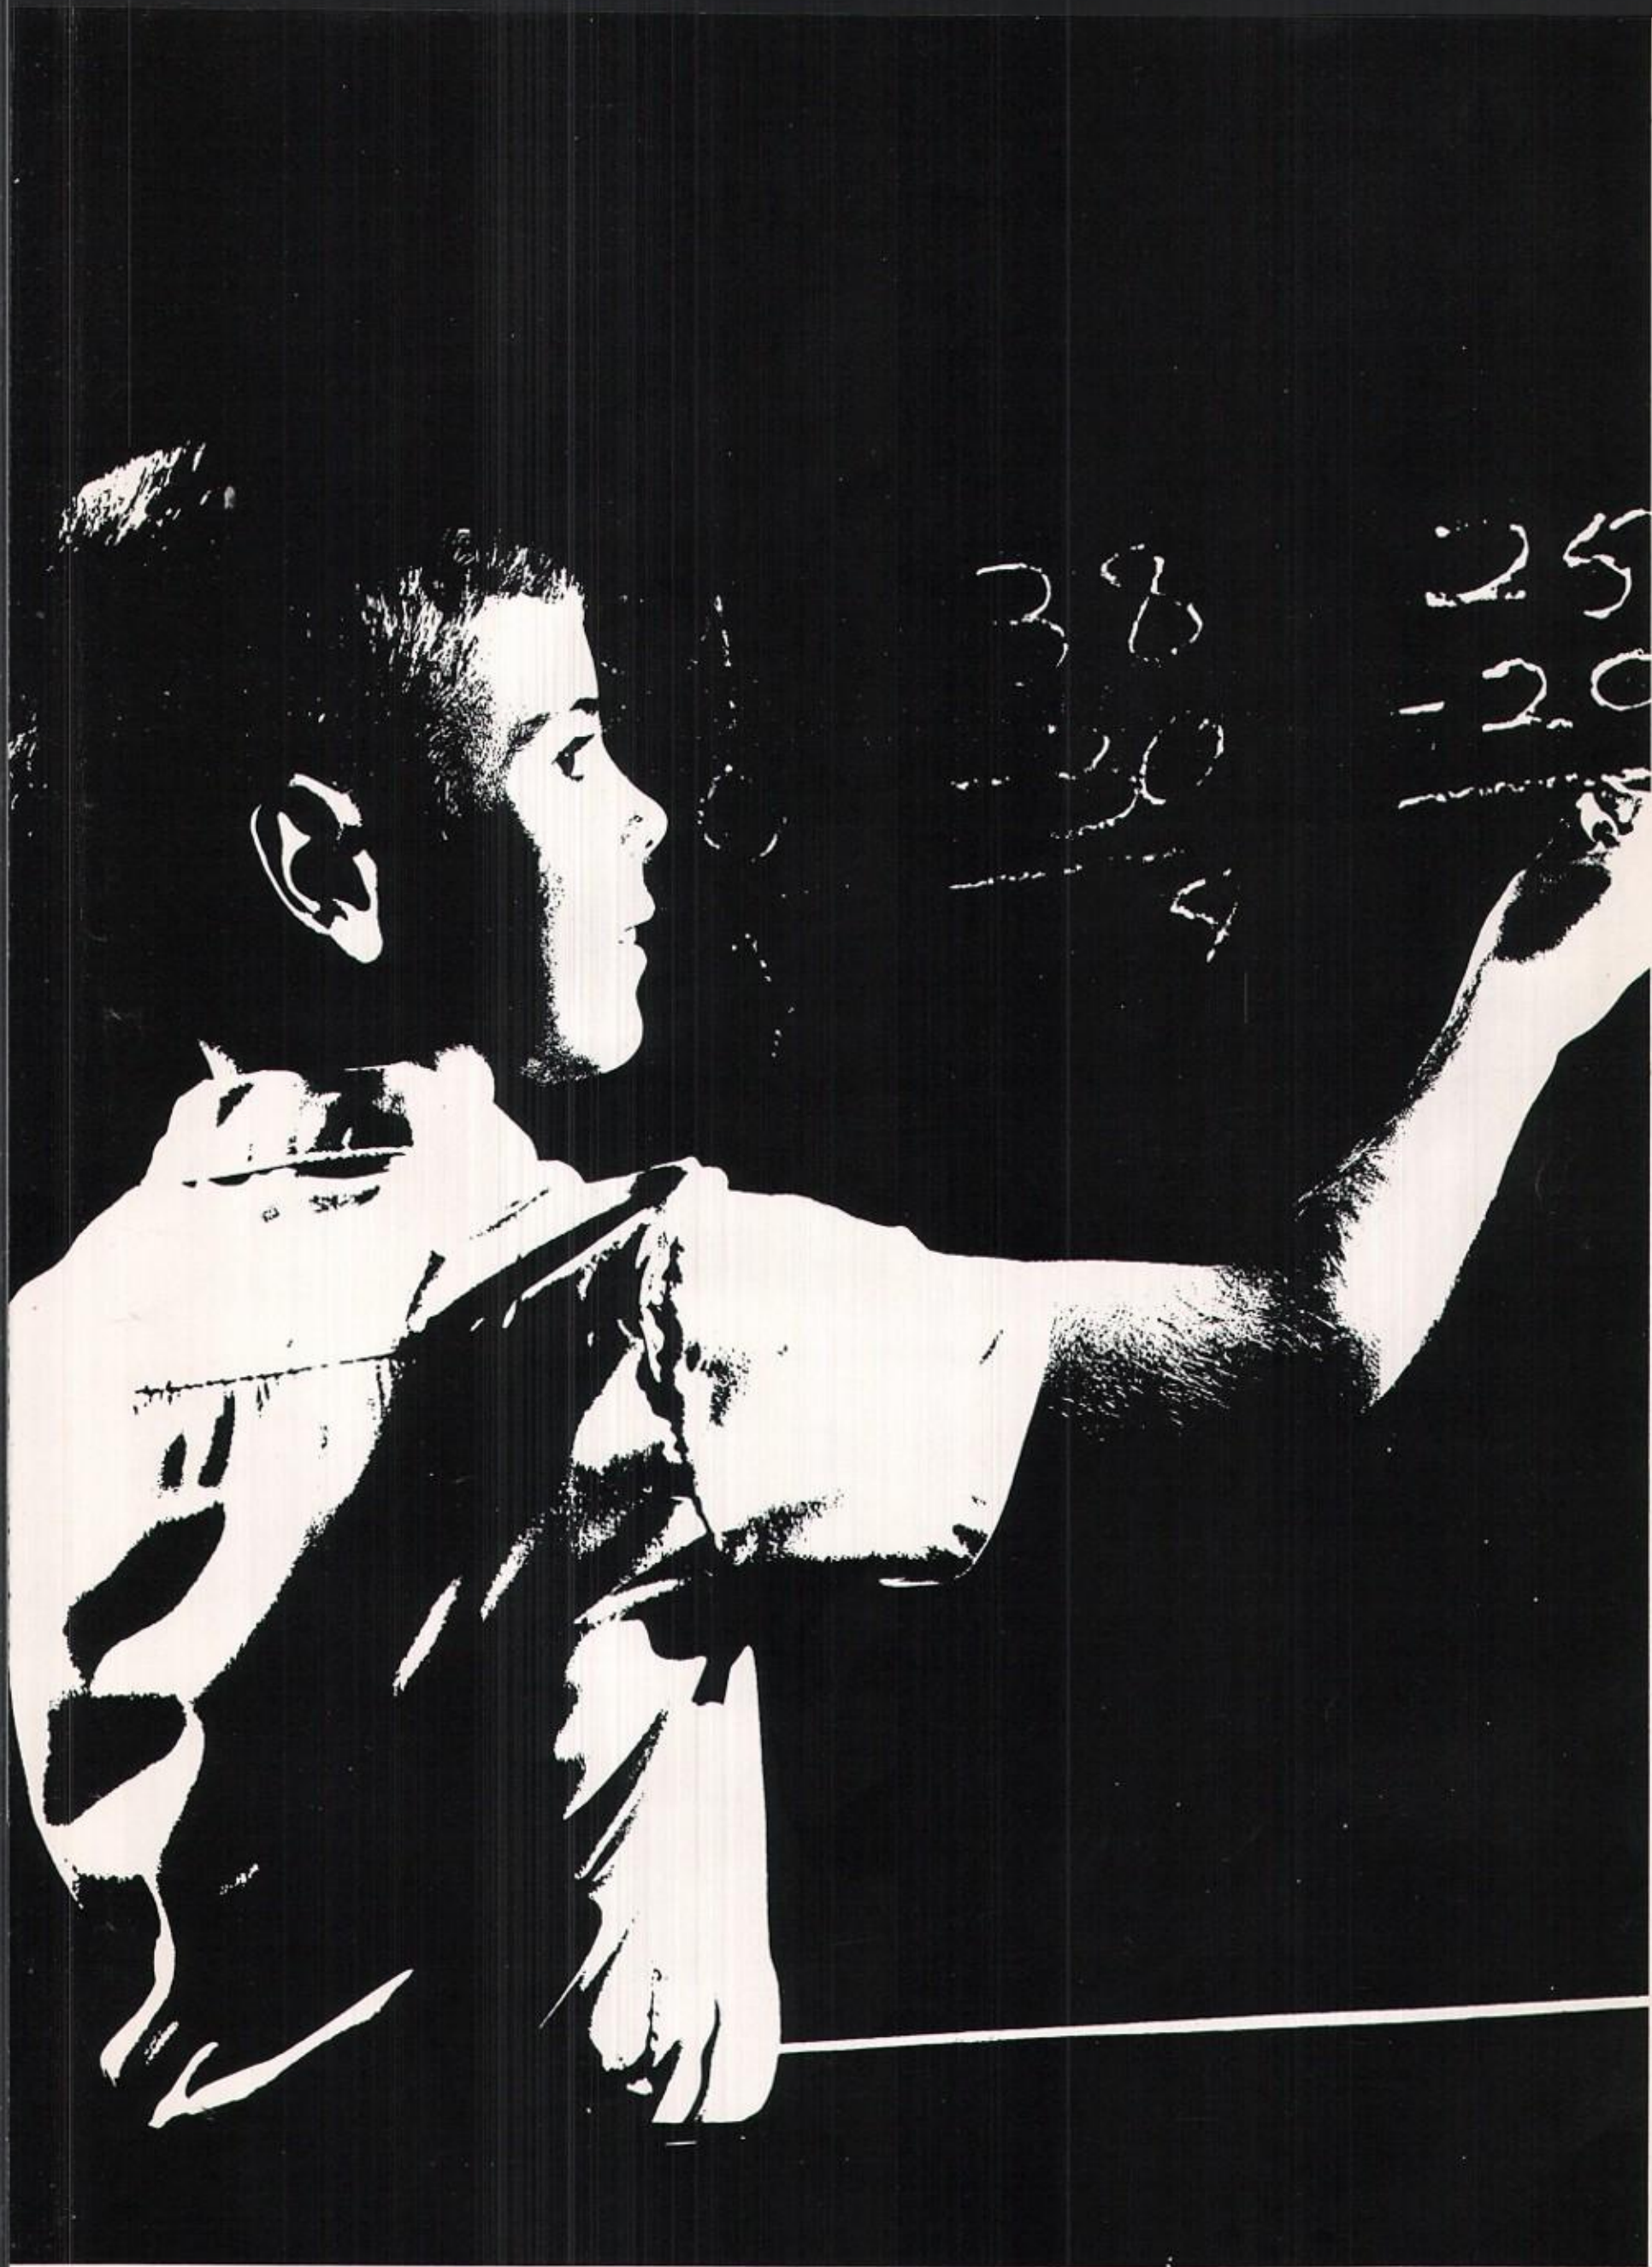

Principal's Message

Congratulations Seniors of '67. You have created a very fine annual that will be enjoyed by many alumni in years to come.

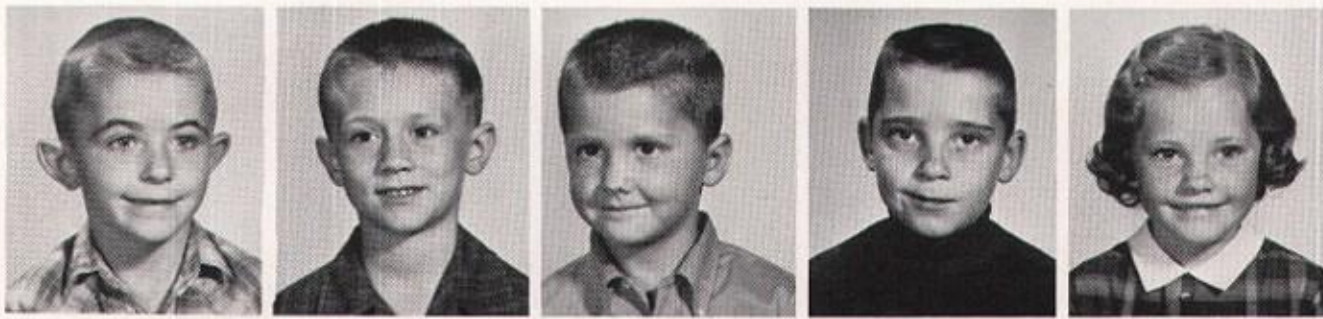

It will be a pleasure for me to reminisce with the student body, faculty, and staff who made my freshman year as principal rewarding and enjoyable.

The innovation that the clan of '67 have contributed have been numerous and sound. School spirit has been good; cooperation has been excellent. I'm sure we will look back on this Senior Class, this Student Body, this Faculty, and exclaim, "Ah! Those were the 'good ole days'!"
